

## ICAO flight plans, and Pilot Profiles

Dale Walker, Lead Operations Supervisor of the Fort Worth FSS will explain the benefits and requirements of the ICAO flight plan format. Dale will also, explain and help you create an account with the FSS to get you the same weather that a flight service weather briefer will use to brief you. This is a new offering from the FSS, and the first briefing offered to the flying public.

**Directions:** University of Oklahoma, Aviation Department, 2nd floor

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
